

DAILY SAFETY BRIEFING / TAILGATE MEETING RECORD

Project: Deepwater Horizon (MC 252) Beached Bird Survey

Date: _____ Time: _____

Team Members: _____

Specific Location: _____

Work Activities: _____

SAFETY TOPICS DISCUSSED

Task-specific Hazards: Use PPE when handling carcasses.

Physical/Biological Hazards: Bring plenty of water and sunblock. The pace is dictated by the slower team member. Take your time, watch out for one another.

Special Circumstances/Hazards: You may be some distance from your vehicle. Does your cell phone work? If you can't call 911 for help, do not go.

Other topics: Is there any medical information your teammate should know? Allergies, epilepsy,

etc....
